One Week Apart
Clerk, U.S. District Court, ILCD

Dustin M. Lane had two surgeries 8 weeks apart.

The dates were on 01/24/11 and 01/31/11. The surgeries took place at St. Mary's hospital in Decatur, Illinois. The defendants listed are from the Medtronic Corporation and one was present at the surgeries. Matt McCollum was the person that was present. Omar Ishrak is the C.E.O. and is in charge of the company. Lola Velazquez-Aquino is the Attorney that responded to my request to waive service of summons. The rest of my information I want to be kept private until we go through the court process. I am requesting compensation but the amount is unclear.

Sincerely,

Dustin M. Lane
